

Schoolwear & Sportswear

Because We Care

Protect Tomorrow Today

We are committed to continuously improving our operations and have made significant investment in our business operations and the way we make our garments.

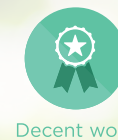

- **Our garments are made in our Carbon Neutral Factory.**
- **Investment into Solar Panels means that we use the energy we generate. We are generating enough electricity that we are exporting to the grid.**
- **We are certified Sedex / Oeko Tex.**
- **We have no PFAs in our Garments.**
- **We are accredited for the use of BCI Cotton in our Cotton poly garments.**
- **Our ACP products use regenerated yarn.**

MORE INFO

Better Cotton

Because we care...

- Traditional cotton harvesting methods can have a negative impact on the environment. The resources needed to harvest the cotton is contributing to environmental decay. Because we care about this we support the Better Cotton Initiative.
- The Better Cotton Initiative is a global sustainability system that ensures that cotton is ethically produced in a sustainable way. Starting at the farms, Cotton is one of the crops that uses pesticides and chemicals. The BCI has helped provide sustainable farming techniques and control strategies that limit the use of these pesticides, use water efficiently, care for the health of the soil with the aim to preserve the natural habitat.
- When this cotton meets our production floor we know where it has come from. The manufacturing techniques we use are less harmful to the environment. We even monitor the cleanliness of the water at our dye house.
- You can be confident that the garment you have purchased has not only been produced to the highest possible manufacturing standards but also produced in a way that has not been harmful to the environment. Our SMETA/SEDEX accreditation ensures our garment making is fully compliant to international standards. This investment has been made **Because we care...**

Embroidery

Are you paying too much for your embroidery?
We have an embroidery service that can help.

Are you losing margin by having to send your garment to an embroiderer only to then send this back to yourselves and then distribute to your customer?

There is another way and we can help.
Pay only one distribution charge.

- We hold hundreds of lines of stock within our warehouse in a range of colours.
- Simply pick your product and we will embroider these in house either to you or directly to your customer.
- We use only the best threads to get the best possible result.
- There is no minimum order quantity
- We also offer a digitizing service available with a 24hr turnaround.
- Contact us for our embroidery service, prices and our information on our stock holding.

About Us

Who We Are

Beezer and Europa Sports are brands that are owned by Loyal and Sons Ltd. As a 3rd generation family business we have been in the Schoolwear industry for over 30 years and specialise in both Schoolwear (Beezer) and Sportswear (Europa).

All of our products are produced in our certified factory ensuring compliance to the highest possible manufacturing standards.

Beezer is a specialist within the Schoolwear market and has been operating for over 25 years. We offer stock service on many Schoolwear items including, Sweatshirts, V-necks, Cardigans, Jogpants and polos shorts. (Next day delivery is available on many of these items.) We also offer a bespoke service on a range of items (10-12 weeks delivery).

All of our products are made within our factory which ensure that we have total control over production.

Contact us to find out about our product range.

Proud members of

The origins of the Europa Sports brand began as far back as 1888 with sock manufacturers W Holmes & Sons and Humphreys & Sons based at Newton Lane in Leicester.

In 1974 an amalgamation with ARCO Sports based in Hull took place and the brand name Europa Sports was born.

Europa Sports went on through various transformations to become one of the leading suppliers in the Back to School industry.

Fast forward to today and Europa is now owned by Loyal and Sons Ltd. As manufacturers we are able to offer a unique proposition for our customers as our garments are all made within our certified factory. Contact us to find out more about our product range.
